

Business 101

Or “How to actually make money on this stuff”

Stand out from your competition

“In my experience, there's no such thing as luck.” -Obi-Wan Kenobi

Tobiah Marks, Game Evangelist, Microsoft.

Target audience

- ▶ Who should use your website/app?
 - ▶ How are the needs of a teenager different than a 36 year olds?
- ▶ Do they currently use similar websites/apps?
 - ▶ Why would they use yours vs. others?
- ▶ Don't stereotype

Effective marketing

- ▶ Who will see it?
- ▶ Call to action
- ▶ More is not always better
 - ▶ Less users can be more profitable
 - ▶ Annoying drives away users
 - ▶ Focus on what works

Encourage beneficial behavior

- ▶ Only ask for reviews from users who will likely rate highly
- ▶ Use social when it makes sense
 - ▶ Provide value
- ▶ Have an outlet for bugs/problems/feedback

Post release content

- ▶ Users always want more, keep them coming back
- ▶ Communicate with your audience
 - ▶ Tell your story
- ▶ Apps as a service

Common Monetization Methods

The diagram consists of three ovals arranged in a triangle. The top-left oval is yellow and contains the word 'Free'. The top-right oval is brown and contains the word 'Premium'. The bottom-center oval is green and contains the word 'Freemium'. The background features abstract green and yellow geometric shapes on the right side.

Free

Premium

Freemium

Free/Freemium requires lots of users

Ads:

- ▶ Average CPM: \$0.50 to \$2*

In App Purchases:

- ▶ Only 0.5% to 3% of users will ever pay*

The hunt for “Whales”

*Your mileage may vary

Don't guess, track

- ▶ How many users:
 - ▶ Used the app/website?
 - ▶ Came from where?
 - ▶ Clicked the help button?
- ▶ What percentage of users:
 - ▶ Quit after 30 seconds?
 - ▶ Returned within 7 days? How about a month?
 - ▶ Engaged with monetization?

Analytics

- ▶ Worth the time
- ▶ Many options
 - ▶ New Relic
 - ▶ Marked Up
 - ▶ Create your own
- ▶ Don't be afraid to change

Little things make you stand out

- ▶ Responsiveness
 - ▶ Clear loading screens
 - ▶ Acknowledge user interaction
- ▶ Show don't tell

Regen

App Store Optimization

Icon

- ▶ You have 1.5 seconds
- ▶ Compare to competition

Screenshots

- ▶ Have to be honest
- ▶ Show gameplay

Description

- ▶ Hook and convince
- ▶ Call to action

Use your advantages

- ▶ Time
- ▶ Low costs
- ▶ Playtest in public
- ▶ Community Building
- ▶ App Store Optiminization

Don't expect instant success!

Everything's a skill

Tobiah Marks, Game Evangelist, Microsoft.

Apps are a service, Not a product.
